**Please Turn Over for Our Weather Cancellation Policies** It is our goal to get students outside as much as possible! Please send students to program with appropriate outerwear to keep them warm and dry.

## **Winter weather is approaching! Here are some of our policies on school and program cancellations**

- If South Portland Schools have cancelled school for the day, 21 Club/LWAS is also cancelled.
  - You can access this information on SPPS's website and numerous news channels.
  - If we have at least 5 snow days, more will be added to the end of the year
- **If South Portland Schools cancel "All Afterschool Programming," LWAS is cancelled.**
  - This announcement is usually made before noon.
  - **Site Leaders will communicate with all families** and let them know that LWAS has been cancelled.
